

IQAC Meeting

Date: 18-05-2017

IQAC meeting was held today for the future planning and development of college for next quarter i.e. May – Aug 2017. Agenda of the meeting was to improve physical and ICT infrastructure, to start online admission portal. In this regard following recommendations were made by committee members:

- 1) A new conference hall is proposed which should have at least 60 seating capacity with latest ICT equipments and proper sound system. Conference hall should be well furnished and ultra-model.
- 2) Online admission facility for students should start as a pilot project in the coming session. Special induction training should be given to all students to make them familiar with online admission portal. Help-Desk should be provided in campus to help students. In this regard proper training should be given to clerical staff of the college. There should be a provision of the bank challan for fee deposit with the bank having maximum number of branches in Una district.
- 3) Due focus should be given to make the OSA of the college more active and responsive. In this regard, a new body of OSA should be formed with dynamic office bearers. Special committee should be made which can motivate and enroll more and more members to strengthen the functioning of association.
- 4) ICT infrastructure is the lifeline of an educational institution. To keep pace with current scenario, more steps are needed to be taken viz. installation of digital podiums with visualizers, ceiling projectors and projection screens in the lecture halls.

IQAC Meeting

Date: 16-09- 2017

IQAC meeting was held today for the further planning and development of college for next half session i.e. Sept. to March, 2017. IQAC committee members observed that more emphasis should be given to improve academic environment and providing students of final year some facilities which should be career oriented. In this regard, following recommendations are given by committee:

- 1) Coaching classes should be given to final year students of B.A., B.Sc. and B.Com. for the PG entrances exam. In this context the appointment of the teachers from each department should be made on volunteer basis in the vital interest of students.
- 2) Special tutorials should be arranged by the language departments of the college to enhance the communication skills of the students.
- 3) Faculty development programs like conferences, seminars, workshops etc. should be conducted.
- 4) In order to improve physical and mental health of the students, provision of yoga classes should be made. This will help students to cope up with the stressful environment and future challenges of life. Besides, classes on judo, health and hygiene should also be arranged to empower girls for self-defense and disease free life.
- 5) Proper guidance for the outgoing students is very necessary so that they can opt career as per their caliber and potential. In this regard career counseling classes should be organized for outgoing classes.
