Greetings

Ladies and Gentlemen, a very good morning to you all

“The Heights by great men reached and kept were not attained by sudden flight. But they, while their companions slept were toiling upward in the night”

Hon’ble Sh. Mukesh Agnihotri ji, Deputy CM of Himachal Pradesh , distinguished guests, parents, guardians, members and office bearers of PTA and OSA, friends from the print and electronic media, my associates from the college fraternity and dear students. With immense pride and humility, I take the privilege to extend a very warm welcome to you all on the occasion of the 53rd Annual Prize Distribution function of Govt. College, Una.

College Profile

Govt. College, Una which envisioned the dream of establishing a progressive educational institution; a college that would mould and guide future generations of enlightened minds has completed five glorious decades in the service of knowledge. It has been a gradual evolution and many novel concepts have been added over a period of time. The journey was enjoyable and it continues to be so. A special gratitude is rightfully due to all individuals who have played a part in the development of this institution and made it possible to transform a dream into reality. The process is unending and it is with a sense of satisfaction that I stand here in front of an august audience, playing my part of underlining the achievements of this college for the session 2022-23

“Nestled in the foot hills of Mount Shivalik, the College campus is a jewel in the crown of town.”

Excellence is an ever-approaching target and bedrock of any academic institution. This college has steadily, despite its humble beginning in 1968 kept a pragmatic approach. With undaunted determination & perseverance of its incumbents, this college has flourished over the years with single minded devotion of striving for innovation & excellence and reached a place where it can boast of quality education integrated with State-Of-The-Art infrastructure. The college was accredited with ‘B’ Grade by NAAC Peer team during their visit in year 2016. Post-graduation in Economic has also started in this college in the current session.

Nestled in the foot hills of Mt. Shivalik, the college campus is a jewel in the crown of the town. While preserving the natural ecology in form of botanical gardens & green cover, the campus is fully equipped with modern facilities to accommodate the rapidly growing strength of the students which stands at 4343 with 2593 girls and 1750 boys. 40 teachers and 20 members of ministerial and other support staff are working diligently and tirelessly to cater to the needs of students. Besides undergraduate courses in Arts, Commerce and Science, Post Graduate students in English, Pol. Science and Commerce also benefit from the existing facilities. Professional courses MBA, MCA, BBA, BCA, PGDCA and B.Voc. - are being run successfully under the aegis of HEIS, a registered society. The teaching strength of Self-Financing courses stands at 25, all fulfilling the UGC norms.

Mission

The college envisions to be an outstanding institution of excellence in Higher Education. Our mission is to provide higher education leading to an enriched holistic and wholesome development of its key stakeholders. We aspire to inculcate in our students a constant yearning for learning; coupled with academic rigor and passionate knowledge delivery along with academic excellence. We want to ensure that the students are sensitized to the concerns of the society. The college intends to provide ample scope for multifaceted development of local youths irrespective of religion, race, caste, gender etc. We also endeavor to pursue student-centric learning for self-development among students followed by a keen social awareness and responsibilities.

Objective

The main objective of the institution is to transform the students into well-meaning citizens. We aim to provide a comprehensive value-based education to our students. We work earnestly to develop the physical, spiritual, intellectual, moral and aesthetic attributes of the students so that they are metamorphosed into intellectually trained, morally upright and socially committed citizens.

Academics (General-Courses)

In a globally competitive environment, the academic parameters are evolving continuously to suit the ever-changing requirements of limitless possibilities. Staying abreast with the time changing paradigms in teaching learning process, the college has adopted a holistic approach. 3 classrooms have been upgraded to 3 Virtual classrooms. A Research Centre has been established in the Science Block during the current session. Sound systems have been installed in most of the class-rooms. Ten new rooms have been provided with overhead projectors and screens. Keeping pace with the ever-increasing need of technology in education six rooms have been equipped with Digital Smart Boards. Teachers of all departments have been provided with laptops so that they stay technologically upgraded. The campus boasts of Wi-Fi facility. In addition to classroom learning, the students are being exposed to different aspects of personality development through participation in the activities of clubs and societies, thus providing them with a platform to explore and expand their intellectual horizons.

Vision for the future

In order to provide holistic education, it is imperative to adopt a prudent approach. The college has lined up some projects for the future which are important for its overall development.

- a) The entrance gate of the college is needed to be beautified.
- b) Introduction of various Professional Courses has led to the need for construction of a girls as well as another boys hostel.
- c) The college owns the largest land area in Himachal Pradesh. Therefore, more residences for the teaching and non-teaching staff should be constructed in the existing Teacher's Colony.
- d) Keeping in view the record breaking achievements in the field of sports, a sports stadium is needed on a priority basis.
- e) The college is a hub of cultural activities for which an Auditorium is imperative for holding various events organized throughout the year.
- f) Due to retirements and various other reasons there is a paucity of staff in the administrative department. The existing staff strength is inadequate and more posts are required to be created in order to cater to the growing strength of students.
- g) Social science subjects, especially English, Political Science, History and Hindi, attract a large number of students. Number of posts in the said departments is not sufficient and need to be increased. Also, there is an urgent need for a Tabla instructor in the Dept. of Music.

As I conclude the report, on behalf of the entire college fraternity, I take the opportunity to extend my gratitude to the District Administration, various Govt. Departments, Media, Social organizations and distinguished personalities for their invaluable support.

Sir, your esteemed presence in the campus for the 53rd Annual Prize Distribution Function has given this college an occasion to rejoice and rededicate itself in its quest for excellence. On behalf of the students and all the staff members, I once again express my heartfelt thanks to you. I also congratulate the prize winners and wish them a prosperous future.

Jai Hind!
