## **“National Mathematics Day”**

On 30<sup>th</sup> December 2024

National Mathematics Day is celebrated every year on **December 22** to mark the birth anniversary of the legendary Indian mathematician **Srinivasa Ramanujan**. The Government of India declared this day as National Mathematics Day in 2012 to spread awareness about the importance of mathematics and to honor Ramanujan’s immense contributions to the field.

In our college, the celebration of **National Mathematics Day 2024** was held on **30th December** with great enthusiasm and participation. The event aimed to highlight the significance of mathematics in our everyday lives and to commemorate the legacy of Srinivasa Ramanujan.

The Principal, **Dr. Meeta Sharma**, warmly welcomed the **Chief Guest, Prof. B.K. Sharma (Retd. Principal)**, and the **Guest of Honour, Prof. Binny Ohri (Retd. Professor, Department of Mathematics)**.

The program commenced with the **lighting of the ceremonial lamp** before the idol of **Goddess Saraswati**, symbolizing the light of knowledge and wisdom. The inaugural speech was delivered by **Dr. Ranju Banota**, the Coordinator of the Mathematics Club, who introduced the significance of the day and the purpose of the celebration. In her address, she emphasized the role of mathematics in shaping analytical thinking and problem-solving skills among students.

The celebration included **presentations** by **Mr. Chetan, Ms. Shilpa, and Ms. Khushveer Kaur**, who spoke eloquently about the **importance of mathematics in daily life**. Their informative presentations highlighted how math is deeply embedded in our routines and its relevance in various fields.

A highlight of the event was a **Nukkad Natak** (street play) performed by the **B.Sc. 3rd-year students**. The theme of the play was **"Importance of Mathematics in Our Life"**. The engaging performance creatively depicted how mathematics is intricately woven into different aspects of life and society.

Finally, the Chief Guest, **Prof. B.K. Sharma**, addressed the gathering. He appreciated the efforts of the students and faculty in organizing such an insightful event. He encouraged the students to delve deeper into the subject and to explore the beauty and logic of mathematics.

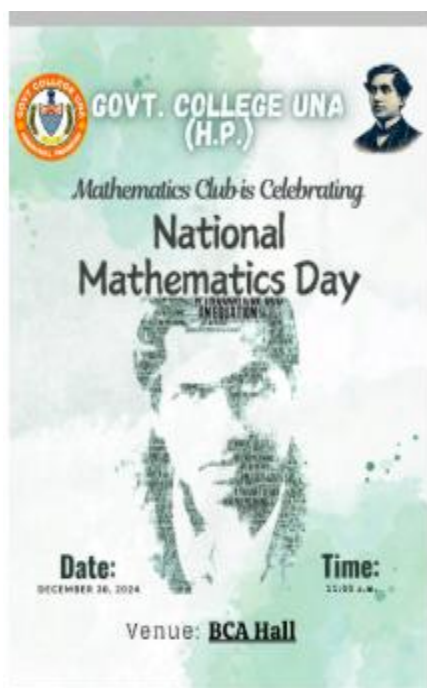

A total of **108 students** from **B.A./B.Sc. 1st, 2nd, and 3rd year** attended the function. All faculty members from the **Department of Mathematics** and several other staff members were also present.

The event was a great success and served its purpose of promoting mathematical thinking and honoring the genius of **Srinivasa Ramanujan**.
