Mathematics Society

Annual Report 2024-2025

The Mathematics society was established with the primary objective of enriching the learning experience in mathematics, particularly for undergraduate students at our college. The club was founded on July 2023. The overarching goal of creating this club was to provide a conducive environment for students to enhance their understanding of mathematics without the apprehension associated with academic performance. The Mathematics society operates under a clearly defined operational framework, providing students with advantages such as: — **Lectures:** Lectures are usually being taken by the Concerned Department Faculty or by the Students on a specific topic. — **Discussion Sessions:** The major part of Mathematics society is the discussion sessions where a student gets the privilege of presenting himself/herself in front of his/her co-learners to discuss a topic and the others also get the benefit by this interaction. Basically this part of the society encourages a student to enhance their presentation skills which is beneficial for their future endeavors. **Seminars:** Seminar has been conducted by the Mathematics society in collaboration with department of mathematics on general topics of Mathematics.

National Mathematics Day (30-12-2024)

National Mathematics day was celebrated on 30th December 2024 with great enthusiasm and participation. The event aimed to highlight the significance of mathematics in our everyday lives and to commemorate the legacy of Srinivasa Ramanujan

.The Principal, **Dr. Meeta Sharma**, warmly welcomed the **Chief Guest, Prof. B.K. Sharma (Retd. Principal)**, and the **Guest of Honour, Prof. Binny Ohri (Retd. Professor, Department of Mathematics)**.

A highlight of the event was a **Nukkad Natak** (street play) performed by the **B.Sc. 3rd-year students**. The theme of the play was "**Importance of Mathematics in Our Life**". The engaging performance creatively depicted how mathematics is intricately woven into different aspects of life and society.

A total of **108 students** from **B.A./B.Sc. 1st, 2nd, and 3rd year** attended the function. All faculty members from the **Department of Mathematics** and several other staff members were also present.
