

1 **Green campus initiatives** – Green campus initiatives promote sustainability on college campuses through measures like energy-efficient lighting, solar panels, and maintained greenery, aligning with global efforts to reduce energy use, conserve resources, and foster eco-friendly behaviors. Hence Such measures lower operational costs, reduce carbon footprints, and educate stakeholders on environmental stewardship, creating models for broader sustainability.

2. **Swachh Bharat Abhiyan-** NCC, NSS cadets and Rover and rangers at GC Una exemplify active participation in Swachh Bharat Abhiyan by leading cleanliness drives on campus and in local communities often starting with Gandhi homage and slogans like "One step towards cleanliness, awareness rallies, posters, essays, and pledges among students and locals , collecting plastic waste and proper disposal to curb pollution, promoting dustbin use, and conducting anti-littering awareness campaigns.

3. Tree Plantation-

With the increased environmental degradation, there is alarming need to initiate the activities and green initiative to safeguard our ecology. Therefore, at college level only, students should be encouraged and made aware of eco-friendly activities. Keeping in view college administration organized various activities with the help of NCC, NSS, Rover and Rangers, Road Safety Clubs, Management Clubs, Eco Club etc.
